Razorpay Activation — Merchant Website Details & Payment Flow

Prepared for the submitting team · Vision Circuit Labs LLP · July 2026

1. URLs for the application

Field	Value
Merchant Website URL	https://pragyacareer.com
Review / working URL	https://pragyacareer.com/razorpay-review
URLs to whitelist	https://pragyacareer.com, https://www.pragyacareer.com, https://pragyacareer.com/razorpay-review
Return URL / Referrer domain	https://pragyacareer.com

Regarding the earlier observation ("URL not working / Pay Now and policies not visible"): the originally submitted URL was the homepage, which did not surface a Pay Now option directly. The dedicated review URL above now presents Pay Now options, pricing, and all mandatory policies on one public page, and the homepage footer also carries a Pay Now link. All URLs are live over HTTPS with a valid certificate.

2. Business summary

Field	Value
Business	Online career assessment and counselling guidance for students and job seekers
Products	Career Assessment Test — Rs. 8,000 (launch offer Rs. 2,499); Employability Test — Rs. 5,000 (launch offer Rs. 999). One-time payments, inclusive of taxes.
Delivery	Digital only — assessment access and downloadable PDF report after payment verification. No physical shipping.
Disclaimer	Advisory guidance only; no job, admission, salary, scholarship, or outcome guarantees.

3. Customer payment flow

1. Customer opens the pricing page, the review page, or any Pay Now link.

2. Pay Now opens the public order summary (product, amount, delivery terms, policy links) — no login needed to view.
3. Customer signs in or registers (Student / Job Seeker) to complete the purchase.
4. Customer clicks Pay — Razorpay Checkout opens (UPI, cards, net banking, wallets).
5. On success, payment is verified server-side and the assessment unlocks automatically.
6. Customer completes the assessment online and downloads the PDF report from the dashboard.

4. Razorpay integration (technical)

- Integration type: Razorpay Standard Web Checkout (checkout.js) with server-side order creation via the Orders API.
- Payment verification: HMAC-SHA256 signature verification on the server for every payment.
- Webhook endpoint implemented for payment.captured with webhook-secret signature validation.
- Amounts: 2,49,900 paise (Career Assessment Test) and 99,900 paise (Employability Test), INR.
- Integration is fully built and deployed; it activates as soon as live API keys are issued for the account.

5. Reviewer demo access

For inspecting the logged-in flow (order summary through dashboard):

Login email	demo@pragyacareer.com
Password	Shared separately by Vision Circuit Labs
Role	Student (pre-paid, dashboard and assessment visible)

A fresh registration at <https://pragyacareer.com/register> can be used to see the unpaid order summary and Pay flow.

6. Merchant contact

- Support: support@pragyacareer.com · +91 95621 47770
- Technical contact for this application: Vision Circuit Labs LLP (developer/maintainer of pragyacareer.com)

7. Page evidence (live screenshots, 5 July 2026)

URL: <https://pragyacareer.com/pricing>

Regular and launch offer pricing for both products.

The screenshot shows the 'Pricing' page of the Pragyacareer website. The header includes the Pragyacareer logo, a navigation menu with links to Home, About, Digital Career Library, Job Seekers, Students, Career, Contact, Pricing, and Login, and a green 'Register' button. A 'PRICING' button is centered on the page. Below it, the heading 'Simple, Transparent Pricing' is displayed, followed by the text: 'Choose the assessment that fits your stage — one-time payment, comprehensive insights, no hidden costs.' Two product cards are shown side-by-side. The left card, labeled 'MOST POPULAR' and 'For Students', features the 'Career Assessment Test' and describes it as a scientific assessment to help students discover their ideal career path. The right card, labeled 'For Job Seekers', features the 'Employability Test' and describes it as a comprehensive assessment to evaluate career readiness, skill gaps, and role-fit alignment. Both cards have a 'Launch Offer' button at the bottom.
